**RE: Public Records Request**

Greetings,

The Department of Public Safety ("Department") received your public records request dated May 23, 2012, and it has been referred to me for response. You requested documents regarding "AAB Docket # V98-159 re: 66-70 Union Square Plaza Building, Somerville, MA 0214."

I write to provide you with the status of your request and an estimate of the cost of producing these documents. A custodian may charge for the time it takes to search for and segregate documents responsive to a public records request. *See* 950 CMR 32.06(1)(c). The regulations provide that the custodian must charge the hourly rate of the lowest paid employee capable of performing the task. *See Id.* The rate costs associated with this request will be \$20 an hour. The estimated total search and segregation time is .5 hour. Therefore, the cost of searching for and segregating these documents is \$10.

If you wish for a copy of these documents, please send a check for \$10.00 payable to the "Commonwealth of Massachusetts" to my attention. Upon receipt of payment, this office will begin to process your request.

Very truly yours,

Caroline P. Torrisi  
Assistant General Counsel
